CME on **MEMORY AND DEMENTIA**

Saturday, 1st June 2024

Organized by
Department of Physiology

Venue

Ishaavaasyam Auditorium

Manjushree Block, SDM College of Medical Sciences & Hospital
Dharwad

Dear Delegates,

Greetings from Shri Dharmasthala Manjunatheshwara University....

We from the Department of Physiology, SDM College of Medical Sciences and Hospital, Dharwad welcome you to the CME on “Memory and Dementia”.

Dementia is the term used to describe a group of symptoms affecting memory, thinking and social abilities. It is currently the Seventh leading cause of death and one of the major causes of disability and dependency among older globally. Dementia has physical, psychological, social and economic impacts not only on people living with dementia but also for their families and society at large. WHO recognizes dementia as a public health priority.

Here are we, the Department of Physiology bringing you the CME on “Memory and Dementia” a current global problem. Come attend and be enlightened with onset, cause, mode of presentation and treatment modalities of dementia.

With immense pleasure we would like to invite you for the CME.

Looking forward to your active participation.

Dr. Nagalakshmi V.

Prof. & Head
